

Restaurant Payroll

- Customizable, all-inclusive solution
- 24/7 online access to payroll data
- Dedicated point of contact

This might be your biggest tip yet!

Restaurant payroll can be complicated and time consuming. Why not hand it off to Heartland? We'll whip up the perfect recipe for success, while you focus on serving up great flavors for your customers.

Features

- Customizable, all-inclusive payroll solution
- Dedicated single point of contact supported by a team of specialists who understand your business
- Web-based time and attendance
- Federal, state and local tax filing and payments included in standard solution
- Integration of workers' comp insurance data and premium collections through multiple carriers
- Secure 24/7 online access
- Competitive pricing, plus a three-year price lock

Reporting

- Payroll Register - documentation of your payroll, including cash tips and charged tips
- Tips to Minimum - identify when employee wages do not cover taxes or adjustments
- Tip Sign-Off - documentation of tips reported by employees
- Tip Allocation - documents the calculations required by the IRS and fulfills the record-keeping requirements of the Tax Equity and Fiscal Responsibility Act of 1982 (TEFRA)

Added Value

- Tax Credits - The FICA Tip Credit can amount to hundreds of dollars per employee each year. We help make documenting the amounts easy with our FICA Tip Credit Report.
- Provider Integrations - Our superior technology allows secure access for banking services, benefit programs, government agencies or insurance providers as needed.
- Commitment to Customers - We will strive for perfection in everything we do and treat every payroll and paycheck as if it were our own.
